EMER CASEY NEW YORK 5K RUN

MAY 22ND CENTRAL PARK

Patrick Dawson won the first Emer Casey Central Park 5k run on May 22nd, Conor O'Donoghue second and Jorge Pena was third. The race was organised by Marie O'Brien who works for the NY office of MOP, a cousin of Emer's who is currently living and working in New York, along with David Golden and Dave Mohally, from Youghal who is also now living in the Big Apple. While Marie and David did the organising, Dave Mohally hosted the post run drinks and food at his bar "Bua" located in the east village.

Plans are already being put in place for next years run!
